Find many great new & used options and get the best deals for 5 pieces 80NF70 80N70 TO-220 80A70V Inverter at the best online prices at eBay! Free shipping for many products!

welcome to taobao purchase 80nf70 stp80nf70 electric vehicle controller inverter field effect tube 80a70v to -220, taobao digital hot selling goods, official logistics can send to global ten, support foreign ...

How to make a simple inverter 3000W, 8 transistor 80NF70, creative prodigy #8 12v to 220v #inverter12vto220v...more

Order today, ships today. STP80NF70 - N-Channel 68 V 98A (Tc) 190W (Tc) Through Hole TO-220 from STMicroelectronics. Pricing and Availability on millions of electronic components from Digi-Key ...

Supplier highlights: This supplier mainly exports to Germany, Peru, and the Philippines, offers full customization, design customization, and sample customization, has product certification, and a ...

5/10PCS New STP80NF70 80NF70 STP80NF in-line 80A/70V TO-220 Inverter FET inserted directly into chip MOS TO220 RON5.37 Price includes VAT Color: 5PCS

It is an N channel MOSFET available in TO-220 package. This MOSFET is primarily designed for general power amplification applications but can also be used in wide variety of other ...

Information in this document supersedes and replaces all information previously supplied.

It is designed for high efficiency switching and conduction in power management applications. The device features fast switching performance, low gate charge, rugged avalanche characteristics, ...

The STP80NF70 is an N-Channel Power MOSFET which can switch loads upto 68V. The Mosfet could switch loads that consume upto 98A, it can turned on by provide a gate threshold ...
