Who makes Yingli solar panels?

It has grown rapidly over the years and has shipped more than 24 GW of panels to over 100 countries. A publicly-traded company (NYSE:YGE), Yingli is one of the world's largest solar panel manufacturers, and at its peak has been the largest panel supplier. The company produces over 4 GW of solar panels every year.

What types of solar panels does Yingli Solar offer?

Yingli Solar offers a range of high-efficiency photovoltaic modules. Its products have evolved over the years -- while it started with full, polycrystalline modules, the company now offers only monocrystalline, half-cell solar panels. Here's an overview of the panels offered:
