What size container is best for shipping?

When comparing prices for container shipping and transport, the size of the container will affect the price. While there are over a dozen different-sized containers, 20-foot (TEU) and 40-foot (FEU) containers are the most frequently used. What fits in a TEU will determine the cost of shipping.

How much does shipping cost in Europe?

Prices to Northern Europe rose 11% last week to over \$2,700/FEU, while Mediterranean rates increased 15% to \$3,850/FEU, with daily Mediterranean rates already exceeding \$4,000/FEU. Continued Red Sea diversions are contributing to the early start of pre-Lunar New Year shipping, as shippers seek to avoid longer post-holiday transit delays.
