Is a switch to OVO right for You?

So your energy plan is coming to an end and you're looking for a new energy supplier. Maybe a switch to OVO is right for you. Decided you're ready to join us on a journey to Plan Zero? First place to head is our Quote and Switch site. Here, you can check the prices we offer on our range of plans and get a monthly Direct Debit quote.

What happens if I pick a next-day switch with OVO?

Even when picking a next-day switch with OVO, you'll have a 14 day cooling off period which starts on the day you agree to the plan. In this case you'd be free to pick a different plan (either with OVO or another supplier) without any exit fees applied. If you've already started the new plan we'd charge you for any energy used in the meantime.

What happens if I Change my Switch & stay with OVO?

Should you change your mind, you can cancel your switch and stay with OVO (yay!). If this is the case, you won't be charged any exit fees, even if you're on an energy plan with exit fees. 3. Your new supplier will also contact us after your 14-day cooling-off period This is to let us know you're leaving, and ask to take over your supply. 4.
