Shanghai Sihua is a company that produces photovoltaic brackets, shelf columns, bridge cold bending forming machines, scaffolding plate cold bending forming machines, anti-seismic bracket cold ...

Supplier highlights: This supplier is both a manufacturer and trader, offers sample customization, and has strengths such as local after-sales service and product certification. The positive review rate is ...

With over 20 years professional experience, we have been the TOP 3 manufacturer and exporter of HIGH QUALITY cold roll forming machines in China. We are an ISO9001 approved company, and ...

Zhengchuang Machinery is a manufacturer of high-end roll forming machine in China. Jiangsu XinZhengchuang Machinery Co., Ltd was establish in 1995, with more than 20 years history ...

Xinhonghua produces cold bending roll forming equipment such as photovoltaic bracket machines, C/Z purlin equipment, roof panel and floor deck forming systems.

This equipment is mainly used for the production and manufacturing of photovoltaic brackets (C-shaped steel, U-shaped steel). Patented products/processes, high precision and high efficiency, long mold ...

Established with rich experience and expertise, our factory has been dedicated to providing customers with innovative and customized solutions for their metal forming needs.

The fully automatic cold bending forming machine for photovoltaic supports is an advanced piece of equipment. It efficiently cold - bends and shapes metal materials into precise photovoltaic brackets.

Combining strength and precision: Through the cold-bending forming process, the product not only ensures structural strength but also features extremely high dimensional accuracy.

Photovoltaic bracket cold bending forming machine company

Explore our top - notch solar PV bracket forming machine equipment. Engineered for high efficiency and precision, it can meet all your solar PV bracket production needs.
