In order to meet the high power and high stability requirements of communication base stations for power supply, this paper designs a dedicated 500W switch power supply for communication base ...

Generally Pretoria East will probably be a bit safer, there'll be crime everywhere but I think Hatfield, Brooklyn, Menlyn, Lynnwood, Waterkloof Ridge, etc. are all relatively safe but ...

The solar deep-cycle battery bank stores the electrical energy generated by the solar panels, ensuring a stable power supply to the communication base stations even when there is no sunlight or insufficient ...

The solution adopts new energy (wind and diesel energy storage) technology to provide a reliable guarantee for the stable operation of communication base stations.

The subreddit for the capital city of South Africa. News, events, people and anything else about and around Pretoria.

All good, Pretoria is a higher income area so it's fairly safe, just when you do get here ask where to not go like townships or squatta camps. Otherwise Pretoria is actually quite nice

Pretoria is the seat of our government institutions, parliamentary offices including that of the president and corruption is rampant. So when you consider that crimes of fraud, ...

Research and Implementation of 5G Base Station Location Based on factors such as base station construction cost, signal coverage, and Euclidean distance between base stations, this paper

The voltage of this series of batteries is 48V, and it is suitable for the backup power supply of various communication equipment, such as base stations, switches, routers, etc. Designed by ece energy, its ...

A list of Pretoria's Lost Spaces I've posted this list a couple of times in different subs over the last few years in response to questions about abandoned places in the city.

In attempting to find a solution, this study presents the feasibility and simulation of a solar photovoltaic (PV) with battery hybrid power system (HPS) as a predominant source of power for a specific mobile ...

Pretoria is big on hiking trails, and if you aren't scared to drive 45 mins, you are in range of magaliesberg, hartbeespoort, Cullinan, Muldersdrift, are all excellent places to do ...

High-Altitude Platform Stations offer a solution by bypassing damaged or overloaded ground-based networks. They can be rapidly deployed above disaster-stricken or hard-to-reach areas, providing ...

3rd year in Pretoria, relocated because of employment. Great place but if you haven't accepted that we are the minority all over the city regions then you better start. Very accommodating ...

Elon Musk's childhood home was located in an affluent suburb called Waterkloof in Pretoria, South Africa. It was one of the biggest homes in Pretoria at the time. Elon and his siblings ...
