We are offering mini renewable power stations in a Off-Grid shipping Container ready to be deployed worldwide. These include solar PV panels and mountings.

Each solar-powered shipping container generator is transportable, securable, and can be fully customized to your specific needs, including hybrid and microgrid compatibility.

Conex King is a leader in shipping container innovation and solar generators and power systems. From custom off-grid and remote mobile offices, emergency shelters, climate controlled storage, ...

Conex King is a leader in shipping container innovation and solar generators and power systems. From custom off-grid and remote mobile offices, emergency ...

Elevate performance and security with our Hybrid Energy System and Intelligent Management. Explore modular outdoor base stations for reliable high-capacity operations.

Solar containers provide a complete package of power generation with military-grade robust protection. They are not just solar panels in a box; solar panels, intelligent energy ...

It is used in scenarios such as communication base stations, smart cities, transportation, power systems and other edge sites to provide stable power supply and optical distribution networks.

EK-SG-R01 is a large outdoor base station with large capacity and modular design. This series of products can integrate photovoltaic and wind clean energy, energy storage batteries, and configure a ...

Communication container station energy storage systems (HJ-SG-R01) Product Features. Supports Multiple Green Energy Sources Integrates solar, wind power, diesel generators, and energy storage ...

Solar container communication station generator set

Built out of new 20' shipping containers, this generator is designed for sites that are remote and need secure power. Each unit is transportable, securable, and can be fully customized to a customer's ...

As a self-contained, self-sustaining power station, PowerCube ® is uniquely suited to support military and disaster relief efforts, and being housed in a standard shipping container makes it easy to ...
