asunim Solar LLC focuses on the GCC countries market and MENA region with a special focus on the United Arab Emirates, the Kingdom of Saudi Arabia and the Oman which are the fastest developing countries for solar systems in the region, and important key markets in the solar business.

Is solar energy a viable alternative to traditional power?

Shop Online Buy solar materials in Dubai Solar energy is widely seen as a viable alternative to traditional forms of power. In some locations, it already provides a tenth of the world's electricity. However, to fully realize this potential, we will need much more than just cheap panels and efficient inverters.
